

The following schedule is close to final. NO ONE will be asked to attend all rehearsals, but EVERYONE will be expected to attend rehearsals regularly. In addition, everyone in the cast should expect to be in rehearsals from February 15 on – which means **everyone must be in town during winter break from school.**

While children may be dropped off for rehearsals, we will be asking parents to take active roles in the production as possible. For example, we'll be recruiting for backstage “wranglers,” costumers, and backstage roles of various sorts. Interested siblings are also welcome to get involved, whether by painting sets, helping with props, pulling curtains, etc.

Saturday generally afternoon 3-5 (tech work may happen on Sunday mornings); Evenings generally 5:30-7:30 or 8 (could extend to 8:30 if needed).

FCTV = Falmouth TV on Dillingham; **WHCH** = Woods Hole Community Hall on Water St.; **date** = planned but may not be needed depending on circumstances.
